Before Reading

3–5 minutes

BUILD BACKGROUND: Ask: *What is your favorite kind of sandwich? How do you make it?*

PREVIEW THE BOOK: Show the child the front and back covers of the book, and read the title. Ask: *What kind of sandwiches do you think Irma will sell?*

Open the book to the table of contents and read the chapter titles.

Look at the pictures in the book and ask the child whether this is a fantasy story or realistic story.

During Reading

10–15 minutes

Ask the child to read pages 4–13 aloud. If the child has difficulty, read the pages together. Then ask the child to read them independently. Have the child work out unfamiliar words by looking at the letters and word parts. Tell the child to think what word makes sense in the sentence. If the child cannot work out the word, tell him/her. Have the child reread the sentence with the word and then continue reading.

After Reading

10–15 minutes

RETELL: Ask the child to retell the part of the story he/she read on pages 4–13.

If necessary, prompt by asking: *What else happened?*

GRAPHIC ORGANIZER: Discuss with the child when and where the story took place and who the characters are. Have the child check the book if he/she needs to. Have the child complete the graphic organizer, using the book as a reference when needed.

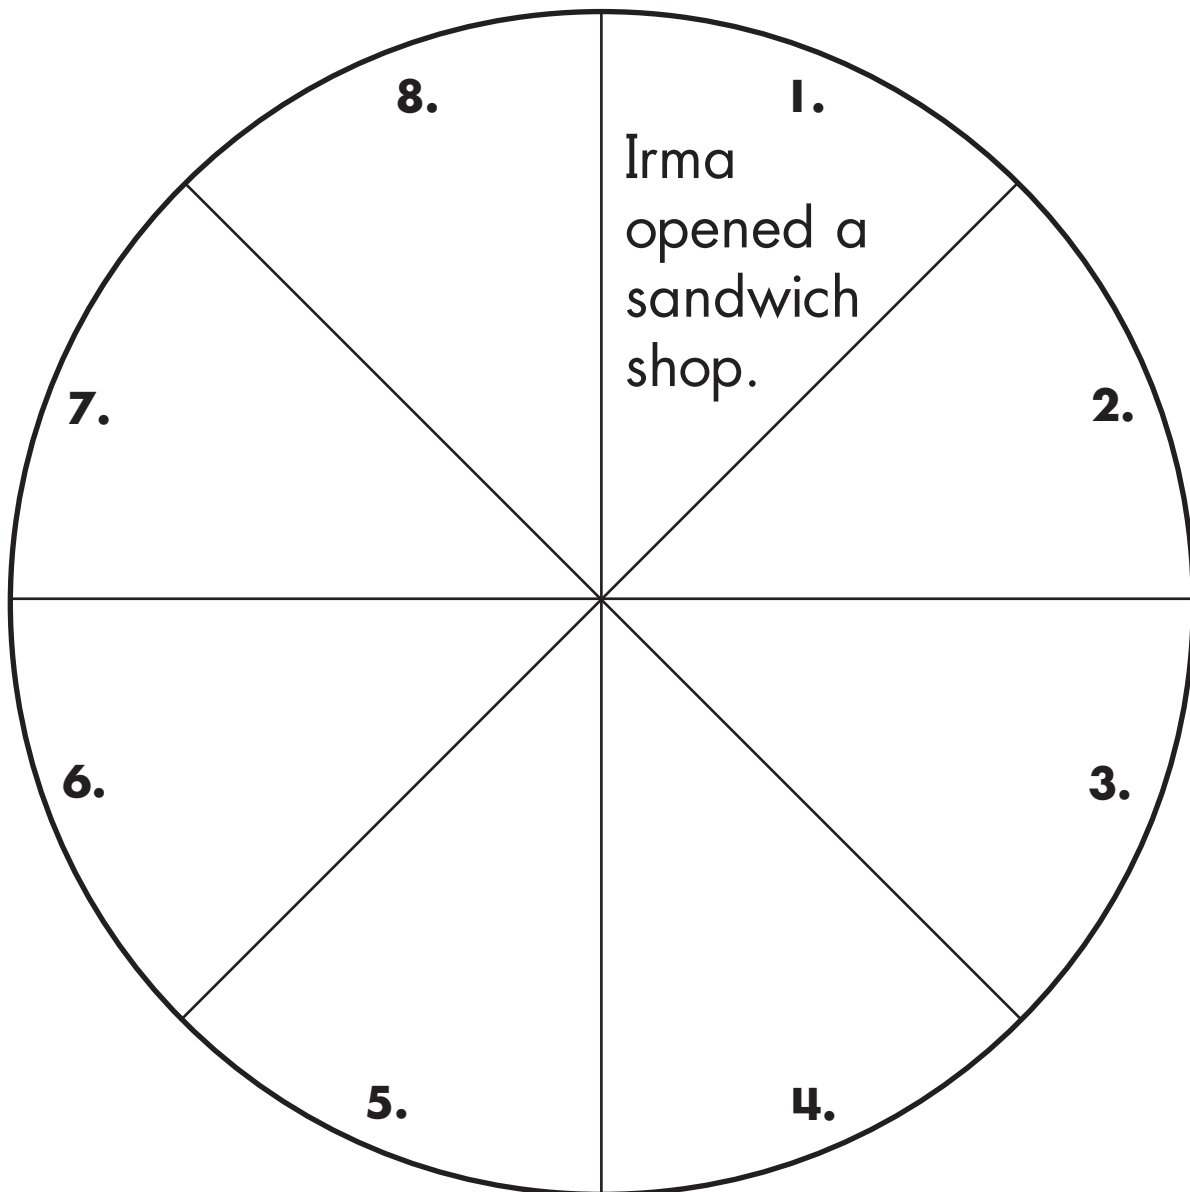

CRITICAL THINKING: Ask the child if he/she would like to run a sandwich shop or a restaurant, and to explain why or why not.

VOCABULARY GAME: Read the word cards with the child. Place the cards face up on the table. Have the child use the words to make sentences. The words can be reused to make different sentences. Sentences may be silly or may be from the book. The child receives two points for every correct sentence.

Home Connection

Have the child finish reading the book at home and then complete the graphic organizer.
